Dear Donor,

Thank you for taking the time to read this brief letter.

I am writing to respectfully request a donation from you for the 2006 Destin Charity Wine Auction. Now in its 20<sup>th</sup> year, the Wine Auction offers a unique opportunity to share in the love of great wines, while helping to provide much needed funding to this year's three charity foundations.... Mattie Kelly Arts Foundation, Children in Crisis, and Sacred Heart Foundation.

People with generous hearts and a love of fine wine gather each spring to experience this renowned event. The Wine Auction evening includes a silent auction, a special eating extravaganza hosted by award winning area restaurants and a spirited and exciting Live Auction. The silent auction offers wines, trips, dinners and many other luxury items. Area top chefs prepare a lavish array of signature dishes for guests to sample and are paired with a variety of wines. As the Live Auction begins, the evening's atmosphere intensifies and rare and vintage wines are bid on by guests that are anxious to acquire these unique offerings.

We all receive many requests for donations each year, and we understand you must choose carefully whom you can help. Destin Charity Wine Auction offers you the chance to make a real difference in the lives of many people. You will be helping not just one charity...but three. Your name will be included in our catalog, mailed to leading winemakers, collectors, wine writers and experts around the world. With the completed bid for your donation, you will be provided with a receipt of the bid to document your gift.

Production on print materials is beginning even now; and we would like your donation to receive full attention in our auction catalog. We ask that you kindly return the enclosed donation sheet as soon as possible and no later than April 10, 2006.

Once again, we hope that you will join us in the cause to help that is represented by these three charitable organizations. Together....we can make a real difference in many people's lives.

Sincerely,

DESTIN CHARITY WINE AUCTION FOUNDATION
